### **Chairman's Report**

On behalf of the Board of Directors, it is my pleasure to report to you, as members and owners of Latitude 32 Credit Union, that your Credit Union closed the operating year of 2019 in sound financial condition and the Credit Union is in compliance with standards applied by the NCUA for financial soundness and stability. I would like to thank the officers and staff of our Credit Union for the effort they put forth to implement the changing rules and regulations that continue to take place each year.

In 2019, we experienced a reduction from interest rates that had increased from the previous year. While rates are relatively low, we continued to see an increase in Latitude 32's loan interest income. The economy is strong and unemployment remains below the national average in the Charleston area. The forecasted pause of interest rate declines is welcome news to Latitude 32 and to the financial industry as a whole. Our service area continues to experience growth as new industries and manufacturing facilities come to the lowcountry. As Charleston continues to grow, Latitude 32 is prepared to meet the increased demand of our members and potential new members relocating to the area. Be assured that the officers, staff and volunteers are working diligently to manage your Credit Union's resources efficiently and to produce the maximum possible benefit to our members.

I would like to express my gratitude for the time and support that each of our Board of Directors and Supervisory Committee volunteers give so freely to our Credit Union. I will take just a moment now to introduce to you to the Board of Directors.

I ask each of you to continue your support of Latitude 32 and to tell someone you know, about how Latitude 32 has made a positive impact on you and your family. Tell your family, friends, and neighbors why you have confidence in Latitude 32. We'll do our best to make them feel comfortable every time they come in to our West Ashley or VA branch.

Ladies and Gentlemen, thank you for your continued support. It is an honor and privilege for me to serve Latitude 32 Credit Union as your Board Chairman.

Thank you for attending today. I look forward to seeing you next year.

Sincerely,

Billy Hudson

Chairman, Board of Directors

Billy Hudson

### **President's Report**

I join with Chairman Hudson in welcoming you to the Sixty-seventh Annual Meeting of your credit union. This evening, it is my responsibility and pleasure to report to you that Latitude 32 Federal Credit Union ended its 2019 fiscal year as a very safe, member oriented and prosperous credit union. As a result of the hard work of your Board of Directors and Supervisory Committee, along with your professional staff's dedication to serving our members, Latitude 32 has once again received a five-star, superior rating from BauerFinancial, Inc., the nation's leading independent bank and credit union rating and research firm.

We are proud of serving our members and the results we have accomplished. Our service philosophy, "A Better Way of Banking" highlights what membership in Latitude 32 is all about: people coming together to form a democratically controlled, not-for-profit, financial cooperative. Through the cooperative efforts of all members and staff, we each gain financial strength, which can lead to better financial lives for our families. Latitude 32 had a record breaking 2019 as over 7,200 members chose to bank with us. We are prepared to move forward into 2020 and face the economic challenges that the new year will present to us.

The financial results, which you can find in your Annual Report, reflect our continuing efforts to provide high-quality financial products and services to our membership. We ended 2019 with \$54,243,900 in total assets, which represents an increase of nearly \$700,000 over year-end 2018. Retail Loans increased from 2018 to 2019 as we assisted more than 1,300 families in purchasing something they needed. We ended the year with \$40,936,207 in total loans outstanding.

Your Board of Directors, supported by our Supervisory Committee, is serious about their responsibility of providing a safe and sound credit union into which you can place your trust. One of the ways they help provide for the safety and soundness of Latitude 32 is by regularly setting aside substantial amounts of our earnings into our Capital Accounts. This money is set aside to help protect and reassure our members that during times of financial stress (periods of loss or negligible earnings); our Credit Union can continue to provide financial services. In 2019, our Capital increased by a record \$577,523 giving our credit union a year-end reserve total of \$6,484,374. This is our largest Capital increase in history.

As a member of Latitude 32, you are united with more than one hundred million other Americans who believe that owning your own financial cooperative is far superior to having to do business with a bank that is owned and controlled by for-profit investors. We have listened to our member's financial needs and because of that, we continue adding new products and services which offer additional safety, convenience and value for our members.

This evening, it is my pleasure to introduce you to the people that faced the challenges and had the personal satisfaction of operating your credit union in 2019, your professional staff. By working alongside these individuals in various departments over the past eighteen years, I personally witness the hard work they do for our members every day. They truly care about the financial and personal well-being of each member of Latitude 32. Please join with me in expressing our thanks for a "job well-done".

In closing, let me say that it is clear from our successes that our members find that their credit union offers them a unique financial experience not found elsewhere in Charleston. Our credit union offers most of the products and services that large institutions offer, along with the personal member service that isn't found anywhere in Charleston. Further, I assure you that providing value to our members is always in the minds of your Board of Directors, Supervisory Committee and professional staff.

Thank you for participating in this Annual Meeting of your credit union. As always, your comments and suggestions are welcome.

Respectfully Submitted,

Marcus R. Rhymer
President/CEO

### **Supervisory Committee Report**

The Supervisory Committee of Latitude 32 Credit Union is composed of three Credit Union member-volunteers who are not employees of Latitude 32. Your Committee members are Ms. Carol Onorato, Mr. Robert Gleaton and Mr. David Warren.

The primary role of your Supervisory Committee is to help ensure that the Credit Union's accounting records are accurately and fairly stated, that proper accounting and internal controls are in place and are being followed, that the Credit Union is in compliance with state and federal laws, and that our members' best interests are being served. As part of our compliance responsibilities, the Committee has instituted an ongoing program to help ensure that your Credit Union is in full compliance with the USA Patriots Act, the ethics requirements of the Gramm-Leach Bliley Act and the Dodd-Frank Act. Just as importantly, your Supervisory Committee is attentive to members' privacy and any other general concerns.

To help fulfill these responsibilities, the Supervisory Committee relies on the informed assessments of several, outside, professional organizations. The Certified Public Accounting firm of Cantey, Tiller, Pierce & Green, LLP, as of May 16, 2019 performed our annual Supervisory Committee Audit and our annual Bank Secrecy Act (BSA) compliance audit. The audit was made in accordance with Generally Accepted Auditing Standards and included such tests of the accounting records and such other auditing procedures as they and the Supervisory Committee considered necessary. Additionally, Cantey, Tiller, Pierce & Green, LLP was engaged to perform quarterly interim audits, loan audits, compliance audits and surprise cash counts during 2019.

Latitude 32 also retains the services of Mr. Todd Sherpy, Attorney at Law and the Sherpy-Jones Law Firm for our general legal representation including compliance, contract, collection, and consumer law. Mr. Sherpy is a nationally acclaimed credit union and compliance law expert and has served the members of Latitude 32 for many years.

Your Supervisory Committee engages these firms to perform these activities to help ensure the safety and soundness of the assets that have been entrusted to Latitude 32 by its members. Based on our reviews and the results of these audits, it is the opinion of your Supervisory Committee that the assets of our credit union are safe, are being managed competently and professionally and our members' best interests continue to be a top priority.

Respectfully Submitted,

**Carol Onorato**
